- The networth stood at Rs. 190 crore as against Rs. 107 crore as on March 31, 2015
- The total debt was at Rs. 101 crore as against Rs. 93 crore as on March 31, 2015, mainly on account of increase in short term borrowings

Management Comments:

Commenting on the results, Mr. R. Doraiswamy, Joint Managing Director, Salzer Electronics Ltd said: “The revenues have grown in line with our expectations especially from the more profitable segment of industrial switchgear. The successful raising of funds through the QIP has provided us capital to invest in on-going as well as new projects. We are very positive about our technical alliance with Trafomodern and are in talking with other leading manufacturers to add more niche products to our suite of offerings.”
Developments during H1FY16

- Salzer entered into a *technical alliance with Trafomodern, Austria*
  - Trafomodern, an Austrian company, is one of the leading manufacturers of transformers in Europe
  - Salzer will use Trafomodern’s Technology and design to manufacture Dry Type, Air Cooled Transformers, Chokes and Inductors in India
  - The Company will set up manufacturing facilities for transformers in Coimbatore

- Salzer raised Rs. 62.06 crore of capital successfully through Qualified Institutional Placement (QIP)
  - The Company issued 26.41 lac shares at Rs 235 per share, resulting in *dilution of 24%* of the capital base
  - The QIP was very well received resulting in well diversified representation and demand. Allocation – *55% FII and 45% domestic mutual funds*
  - Post issue, book value stood at ~ Rs. 132.73 per share
  - The QIP proceeds will be used for *new product development and growth plans of Company*
